1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 18th Osteoporosis guideline committee meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included:

- Update on the work related to the overlap between the guideline and technology appraisals
- Update on discussions with The National Screening Committee
- Off-label medicines and population subgrouping
- Definitions

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion is stated above in item 1. The Chair asked everyone to verbally declare any interests that had arisen since the last meeting.

Name	Affiliation	Declarations of Interest, date declared	Type of interest	Decision taken
Elaine Dennison	Committee member	Involved in the development of non-promotional educational modules with a publisher (Cargo).	Personal Non-specific Financial	Declare and participate

The Chair, and a senior member of the Developer's team noted that no members would need to be excluded for any elements of the day's discussion.

3. Minutes of last meeting

Agreed as an accurate record.
4. Guideline and Technology Appraisal Update
The committee was updated by Carlos Sharpin and Adam Brooke on ongoing developments regarding a proposed hybrid model for integrating guideline and technology appraisal processes.
5. Update on Screening
An update was provided on engagement between NICE and the National Screening Committee (NSC) and the overlap with osteoporosis.
6. Off-Label Medicines and population subgrouping
Kate Lovibond introduced the discussion paper on off-label prescribing, the guideline population and potential subgroups, and osteoporosis treatments.
7. Definitions
The meeting noted some lack of clarity in definitions (e.g., osteoporosis and fracture classification) that may require further clarification as work continues.
8. AOB
There being no further business the meeting ended at 3:30 p.m.

Date of next meeting: GC 19
