1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 19th Osteoporosis guideline committee meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting included:

- Finalise risk factor and VFA recommendations
- Discuss research recommendations.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion is stated above in item 1. The Chair asked everyone to verbally declare any interests that had arisen since the last meeting.

Name	Affiliation	Declarations of Interest, date declared	Type of interest	Decision taken
Karen Knapp	Committee member	Currently noted a PhD student researching vertebral fractures	Personal Non-specific Non-financial	Declare and participate
Karen Whitehead	Committee member	Disclosed authorship of a paper related to pregnancy-associated osteoporosis.	Personal Non-specific Non-financial	Declare and participate
Stuart Ralston	Committee member	Disclosed authorship of a paper related to pregnancy associated osteoporosis.	Personal Non-specific Non-financial	Declare and participate

The Chair, and a senior member of the Developer's team noted that previous declarations from the Topic Advisor would require exclusion from the meeting during discussions related to VFA.

3. Minutes of last meeting

Agreed as an accurate record.

4. Guideline Update and Next Steps

Carlos Sharpin presented a revised timeline for the guideline and explained next steps.
5. Review of recommendations: older age group
The committee reviewed recommendations related to older age group and risk factors and agreed on edits.
6. Review of recommendations: risk factors (continued)
The committee reviewed recommendations related to risk factors and agreed on edits.
7. VFA Recommendations
The committee reviewed evidence and cost-effectiveness related to Vertebral Fracture Assessment (VFA), and drafted recommendations. The wording and rationale will be finalised at the next meeting.
8. Risk assessment recommendations: Flow diagram
The committee reviewed the flowchart aligning recommendations with clinical pathways.
9. Research recommendations
Three research priorities were agreed by the committee. Subgroup volunteers were sought to draft recommendations.
10.AOB
There being no further business the meeting ended at 3:50 p.m.

Date of next meeting: GC 20

07 October 2025

Location of next meeting: Zoom
