1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 16th Osteoporosis guideline committee.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included:

- Risk prediction tools for adults with osteoporosis
- Thresholds for DXA scans

2. Confirmation of matter under discussion, and declarations of interest

The Chair asked everyone to verbally declare any interests that had arisen since the last meeting.

There were no new declarations and the Chair, and a senior member of the Developer's team noted that no members would need to be excluded for any elements of the day's discussion.

3. Minutes of last meeting

Agreed as an accurate record.

4. Risk prediction tools

Linyun Fou and Annie Chalker presented the summary of evidence for the review on risk prediction tools for fragility fractures and adults at risk of osteoporosis.

Carlos Sharpin subsequently presented and made live edits to the recommendations on connected to this review of the evidence.

5. Health economics

Kate Lovibond presented the updated BMD assessment and treatment initiation
