1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 16th Osteoporosis guideline committee.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included:

- Review of the risk factors recommendations
- Discussion of the criteria for treatment for osteoporosis

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion is stated above in item 1.

The Chair asked everyone to verbally declare any interests that had arisen since the last meeting.

Name	Affiliation	Declarations of Interest, date declared	Type of interest	Decision taken
Alison Ahmed	Committee member	Received honorarium from University of Manchester to prepare and deliver a workshop to MPharm Diploma students on Rheumatoid Arthritis. Not related to osteoporosis or osteoporosis medication. Interest arose/ceased on: 01 04 2025	Personal Non-specific financial	Declare and participate
Alison Ahmed	Committee member	Attendance at British Society of Osteoporosis Annual Conference. Registration paid for by UCB. Interest arose on 28/04/2025 and ceased on:	Personal Specific financial	Declare and participate

4.0.03 DOC Cmte minutes

		30/04/2025.		
Elaine Dennison	Committee member	Attending a non-promotional educational meeting; not company-sponsored, no drugs named.	Personal Non-Specific Non-Financial	Declare and participate
Paul Hamilton	Committee member	Received an honorarium for a lipid-related talk and sat on an advisory board.	Personal Non-Specific Financial	Declare and participate

The Chair, and a senior member of the Developer's team noted that no members would need to be excluded for any elements of the day's discussion.				
3. Minutes of last meeting				
Agreed as an accurate record.				
4. NICE Quality Standards Update				
Daniel Smithson delivered an overview of the Quality Standard (QS) development process for osteoporosis.				
5. Project Update from Deputy Director				
Eric Power provided an update to the committee on strategic alignment between guidelines and technology appraisals (TAs), with particular focus on impact to the guideline and osteoporosis treatment pathways. A finalised implementation plan will be delivered to the committee in the coming months.				
6. Risk factors Review and Screening Criteria				
The committee was led through a review of the risk factors recommendations for post-menopausal women, men over 50, and women and men under 50.				
7. Treatment Criteria Discussion				
The committee was led through a discussion on treatment criteria. The group also considered how treatment criteria could be structured to inform the economic modelling required.				
7. AOB
