Kay Morgan	Committee member

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 20th Osteoporosis guideline committee meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting included:

- Review updated DXA analysis and its implications for resource use and treatment thresholds.
- Finalize recommendations on bone assessment methods and DXA thresholds.
- Discuss monitoring strategies for patients not on treatment.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion is stated above in item 1. The Chair asked everyone to verbally declare any interests that had arisen since the last meeting.

Name	Affiliation	Declarations of Interest, date declared	Type of interest	Decision taken
Nicola Peel	Committee Member	Declared involvement with ROS (Royal Osteoporosis Society) and NICE implementation group for AI in vertebral fracture detection.	Financial	Non-specific Declare and participate

The Chair, and a senior member of the Developer's team confirmed that as previously noted, Karen Knapp's declarations related to DXA reporting would require that she withdraw from discussions on this item.

3. Evidence from DXA Analysis Report

Kate Lovibond presented an updated analysis incorporating women aged 65+ as a clinical risk factor.

4. DXA Recommendations: Bone Assessment Methods and Threshold for

DXA
The committee discussed available evidence and revised draft recommendations.
5. Monitoring When Not on Treatment (6.1): Recommendations
The committee agreed on the population groups that would be the focus of these recommendations and agreed on revisions.
6. Any other business
There being no further business. The meeting ended at 14:00.

Date of next meeting: GC 21 days 1 & 2:
04 and 05 November 2025

Location of next meeting: Zoom
