1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 23rd Osteoporosis guideline committee meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of this meeting: to hear the summarised feedback received from stakeholders during the recent public consultation on the draft guideline and redraft recommendations where relevant relating to:

- Risk prediction tools
- Bone density assessment
- Treatment criteria

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion is stated above in item 1. The Chair asked everyone to verbally declare any interests that had arisen since the last meeting. There were no new declarations.

The Chair, and a senior member of the Developer's team noted that previous declarations would not require committee exclusions from this meeting.

3. Minutes of last meeting

Minutes of meetings 21 and 22 were agreed as an accurate record.

4. Consultation comments and recommendation edits

The committee reviewed the wording of risk prediction tools, bone density assessment and treatment criteria recommendations in response to consultation feedback, and stakeholder comments and agreed changes to recommendations.

5. Any other business

There being no further business the meeting ended at 4:00 p.m.

Date of next meeting: GC 24 - 24 03 2026
